

Yui Takashima
Legal Assistant

Yui graduated from Osaka University with a Masters Degree in English Literature in 2007 and completed MA Applied Translation Studies at Leeds University, UK, in 2011.

After joining the Immigration Team in March 2017, she has been supporting the team by providing language support (Japanese) with 6 years of professional translation experience, attending clients to their visa appointments, dealing with various visa application cases in conjunction with our immigration solicitors in order to meet the various needs of our clients. She also provides tailored service to our clients not only from Japan but also from South Korea, China and other countries.
